**Chair:**

Hi Family,

First off, I would like to apologize for my actions last month regarding our discussion on H&I. I overreacted and let my emotions get in the way of having a constructive conversation about participation.

Onto new business, last weekend, we held an area inventory right after the spiritual breakfast, which was a great event. Thank you to the Unity Day crew for putting on a great fundraiser. The inventory was attended by around 25 members. We had a very constructive conversation about what we do well here at area and what we don't do well, our assets and liabilities.

Behind me, on the wall, are lists of those assets and liabilities. After we listed all of these, we talked about our 3 biggest problems that we believe we have in this area and then tried to come up with solutions to these problems. If we have time today we might have more open discussion on these liabilities and solutions. Our biggest problems we have in this area are...

Apathy

Communication Between Groups/Subcommittees

Too Large of an Area

The solutions that we came up for Apathy were...

Buddy System for GSR's

Better Communication

Format Change for Area

Positive Language

Consequences for Groups that Do Not Show up to Area on Consistent Basis

Service Learning Days

Solutions for Communication Problems...

Encourage Short and Sweet (To The Point and Don't Repeat What has already been said)

Spirit of Anonymity

Mentorship(Voting as your group not your personality)

Encourage utilizing the tools that we have

Too Large of an Area....

Look at Service Structure (Quadrants)

Take it back to our home groups about breaking up into smaller areas

Create and ADHOC for looking at the new service structure

So, after all that, what do we do next? Here is our plan:

Create a project plan for Service Structure Change

Create a Task Group to make changes to our Area Guidelines

Experiment with a Format Change in Area (GSR Reports and Voting 1st Half, Officer Reports 2nd half)  
Open Discussion about Consequences for not showing up to area

That is my report.

Thank you for letting me be of service,

Jake H.

**Vice Chair:**

Hi Family,

This has been a very busy month. The inventory was a big success. Other officers will provide details.

I visited 9 locations to possibly host area. Today the GSR's will vote on where to hold area in January. I will conduct the vote now and arrange the results immediately after break.

Do you want the minutes to report how each group voted?

At 4 PM Friday, we recieved an email from Seattle Parks, that Lake City Community Center may be available and they want to talk to us. I immediately called the cell phone number and left a message asking to speak before Sunday (today). They have not returned my call.

ILS, Mike L.

Date: 12-03-2017

1. We balanced the ledger to the bank statement for November 2017.
2. I have emailed copies of this report and the statement for October 2017 for posting online.
3. PR was unable to place to an order for literature with World Services, due to an accounting error with the WSO for the check we sent in November. I have emailed the WSO to see if we can get this error corrected, and the funds we paid applied to the PR balance due to WSO for literature. The check was 9186 for \$1257.69.
4. I am now going to read the statement for October 2017.

### Activities:

Hello everyone

I'm happy to report the Gratitude dinner went really well our speakers were amazing and everybody on the committee worked really hard in addition to other members of our fellowship that showed up and put in hours of work in the kitchen. We ended up with more than enough food for everybody and people were happy to be able to take home some leftovers in to-go boxes. I also would like to thank the members of the fellowship that stayed after and finished cleaning up I could not have done it without those people. All in all it was a really nice event. The day after the dinner I was able to repair the doors in the Fireside room at the church that were damaged in the October Carnival we

received a homegroup donation for the supplies and Jack F donated his time and painted the doors. The church is very happy with the finished product.

Moving forward we have our final event for 2017 the New Year's Eve bash which will be at Edmonds Lutheran doors open at 6 speakers start at 7 and then the dance will start after the speakers the speakers are free as always the dance will be \$10 per person. This year we are going to be doing a movie night for the kids in the Fireside room right next to the fellowship hall where the dance will be taking place. We are looking for a some people possibly parents that are willing to commit to 30-minute shifts watching the children to make sure everything goes smoothly and there is no further damage to the room.

Thank you to everybody that puts in time and effort doing service with our committee it is greatly appreciated.

Thank you for letting me be of service Artemis w

– Hello Hello Service Family

Glad to be back at area this month! I've missed you all! I apologize for missing area last month, I got stuck on the pass coming back from a kick ass regional service learning days event! Less than a quarter tank of gas and stuck on the top of the pass for 3 hours in the frozen tundra! We were lucky to make it out actually – Kiara will tell you, it was cray!

Anywhoo, onto the meat of the report. As you all know, the Conference Agenda Report workshops are just around the corner. I would like to encourage all of you to go to the NA website and download and review the report which just came out last month. You can find it at [www.na.org/conference](http://www.na.org/conference). As you discussed last month, we're planning to put of a shortened version of the CAR workshop during the February SASC.

On top of this I STRONGLY encourage all of you to try to attend the CAR workshop in Bremerton on January 6<sup>th</sup>. This will be put on directly by our RD/AD team who have some of the best knowledge of what each motion entitles. If you cannot attend, please, please, please announce it and get the word out to the fellowship. There are 25 motions

in the CAR this cycle, so it will not only be important to know about all of these, empowering you to make good decisions on them, but it will help you all convey these motions back to your homegroup members without it taking 5 hours.

We will be making a motion to purchase 40 printed copies of the CAR for our workshop costing \$300.

The RD Team has put out a few questions to the areas last month as well. We hope to have a short open discussion topic to find out the answers to a few of these questions. We are looking to identify what you think are Seattle areas biggest successes and greatest weaknesses. It will be a fun one, so please stick around after the break!

Also, the RD Team would like to remind you to connect with them on social media. They are doing a great job getting information out to the region through these outlets.

Facebook - Washington Northern Idaho RSC Page

Twitter and Instagram - @askthedelegate

Email Questions to BOTH - [RD@WNIRNA.org](mailto:RD@WNIRNA.org) and [AD@WNIRNA.org](mailto:AD@WNIRNA.org)

As a note, Clean and Free registration is open! Make sure you pre-register to get into the main speakers!

The last thing that I would like to report is that by this time next week I will officially be a college graduate! This is a huge accomplishment for me and I am so grateful for NA showing me the way and for all of the true supporters that I've had throughout this long journey. Before I began this process, I truly believed in my heart that there was absolutely no way this would be possible and that they would never let me back in. But you guys told me, "Yes you can" and encouraged me to try. Without that, I would not be where I am today. So thank you!

In grateful service –

Steve F – RCM1

## **RCM 2:**

Hi all,

The Conference Agenda report has officially been published! You can download it for free online at [www.na/org/conference](http://www.na/org/conference). I would encourage you to at least skim over the motions! It only took me about a half hour. It is helpful to have at least a baseline knowledge of these things, before the CAR workshop out in Bremerton on Jan 6<sup>th</sup>. And then we can help to refresh your memory

on it at area in February. Between these three things, you should be fully prepared to relay the information to your home group and get their group conscience! One other suggestion I have that can serve as a really helpful tool in this process is bringing at least one other person from your home group to at least one of these events. Having another set of ears to soak up all the information is really valuable during the business meeting where you take the votes.

I also want to extend an offer to come to your business meeting and help you when you explain to your home group what they're voting on! This is really important, but I know it can be difficult to remember everything, so I'm willing to help out. I don't know if my number is published in the schedule yet so it's 206 771 5224, or you can email me at [rcm2@seattlena.org](mailto:rcm2@seattlena.org).

In terms of things going on outside of the CAR report – The area inventory was awesome, and I'm sure Jake will outline what went on there so I'll leave that to him. I went to the gratitude dinner and spiritual breakfast, both of which were wonderful. There are lots of events coming up this month held by home groups. Tower of power will be having a potluck next Saturday before their meeting, The Oasis is having one before their meeting the weekend after that, and then the Eastside Holiday Marathon Meeting will be taking place from 5pm on the 24<sup>th</sup> until 7:30 pm on the 25<sup>th</sup>.

Lastly, on a personal note, we celebrated 3 years clean yesterday! Thank you to everyone who has walked with me on this journey, and for allowing me to come here and do service as a pillar of my recovery.

In loving service,  
Dani
