1. The bank statements and ledger balances matched this month.
2. There was a discrepancy in our cash count last month of +\$4.99. This means that the deposit count was higher by a few dollars than what we have in receipts under group donations.
3. I will now read the financial statement for December 2017. I have emailed the statement out to the recording secretary, chair and vice chair for distribution with the minutes.

4. You will see a new line item under subaccounts for the Mozeo funding SASC approved in December

SASC –

Yesterday, Dani and I went to the CAR workshop in Bremerton. I am happy to report that Seattle was well represented there, so thank you to all who went! If you were not able to go, here are the details:

The workshop lasted about 4 hours. We were able to cover all 25 motions in the CAR this year. There was food, fellowship, and I would even go as far as to say, we all had a pretty good time yesterday.

To remind everyone, you've asked the RCM team to convey these motions to you during the February area, and here's the deal, the 4 hours that it took to explain the motions yesterday was already compact. Dani and I are going to try to strip it down to the bare bones for you and hopefully we can get it down to 1.5 or 2 hours. So, we will need to forgo reports and make the appropriate amount of time available in February.

I would highly, highly encourage everyone in the room to go home tonight, go to [www.na.org/conference](http://www.na.org/conference) and download the CAR and read the motions asap. There are also videos and PowerPoint presentations that you can download that go into more detail. Since we will be limited on time, we will most likely not have the time to cover every detail and answer every question, but I will tell you that everything is explained through the resources on the website.

I would also encourage you to start considering how you are going to present these motions to your groups. As I've been saying, if you just sit down and try to go through them, it may take upwards of 4-5 hours to complete all of this, and no one likes a 4-5 hour business meeting. However, you could take these motions and split them into 3, 4, or even 5 sittings. We do have further suggestions and will be willing to help you plan that out if need be. Feel free to contact us at any time via the email addresses on the [seattlena.org](http://seattlena.org) site.

Region is next weekend where we'll be getting our second dose of the CAR. As always, if anyone has anything they would like us to bring to Region, let us know! Also, anyone is welcome to attend RSC and I hope to see a few additional Seattle members swing

by! As a note, we've moved over to the Red Lion starting this weekend. As far as I know, All-Subs is still at the church on Ruby.

Any questions, let us know. We are looking forward to the next few months and hope you are too. The topics in the CAR are important topics and convey to us what's going on in our worldwide fellowship. And remember, It's YOUR fellowship and we really hope that you are all excited to participate and let your voice be heard.

In service,

Steve F.

January 7, 2018

Hi all,

I'm going to keep it brief because Steve covered everything we needed to and I'm really sick. I will reiterate again that you are the voice of your homegroup! You are also the way that they get informed on things like this. If you are still unsure of what the CAR report is, that's fine. Feel free to talk to me after the meeting or give me a call or email. It can seem overwhelming especially to a new GSR but we're here to help. Please be sure to come to area next month for our mini-workshop, and spread the word for others to do the same.

In loving service,

Dani

January 7, 2018

Hello Family,

I attended last month's SINAC Committee meeting on Dec 10th. Pre registration is officially open. You currently can not go to [Seattlenaconvention.org](http://Seattlenaconvention.org) to register, but hopefully that will be fixed soon. We do have registration flyers on the table and it is also available at Seattlena.org. Basic Pre-Registration is only \$30! Full Pre-Registration Package is \$170 which comes with a Limited Edition Guiding Principles Book. Unfortunately, our speaker from Iran will not speak at the convention, as a U.S. government order prevents Iranians from entering the country. If you know anyone who you think has a great message, please give Programming their names and contact information.

Our next event is Bingo Night on Sat. Feb. 3rd from 6:00pm to 10:00pm at the First Presbyterian Church [2936 Rockefeller Ave Everett WA 98201](http://2936RockefellerAveEverettWA98201). \$8 entry fee. There should be flyers available as well on the Seattle Area website.

And, there are still a few open positions, with full descriptions of duties found in the SINACC Guidelines.

**PR Chair:**

January 7, 2017

Hello family,

Public Relations: Your PR Subcommittee held its monthly meeting earlier today at this location.

We elected Tricia to vice chair, Aubrey to h and I coordinator, and Christi to secretary. Pr currently has the special projects and facility liaison positions open. If you are interested come to next months pr meeting on January 7th at 1230 to potentially get elected.

We oriented 6 new member/s for H&I and Hotline services.

H&I/Hotline orientations are held each month at 11:30am in this facility before PR and area. 6 months of clean time is the required minimum to serve on either.

PI: Na in colleges and high schools. If you want to be a part of the pi committee contact Jake his number is in the schedule.

H&I: H&I conducted 32 panels last month 5 of which were not done and elected 0 panel leaders.

King County needs panel speakers and panel leaders. Help is available and encouraged for the approval process to access the King County jail including a flyer available online which addresses the process. Please see Cheryl T, Lori R or myself for help with that process or any other questions regarding panels at the King County Jail. If interested in H and I service show up wherever area is the first Sunday of the month at 11:30 AM to get oriented.

We currently have 0 panels open:

Facilities: Bart is in contact with many facilities for potential h and I opportunities but we need more people willing to be panel leaders/speakers in order to fulfill our potential commitments. H and I is struggling to uphold our current panels so in order to open new panels we need more speakers!
