##### **Chair:**

First off i want to thank everyone who participated in the Unity day 2016 Committee. There hard work and commitment to na service really showed. We have three positions up for election this month. Literature, Unity day Chair, and Activities Treasurer so please stay after the break if you are interested in one of these positions. Not much to report this month but i am excited to hear about how Seattle NAs first official use the of card readers worked out and am hoping that any knowledge or information gained at Unity day can be passed along.

##### **Vice Chair:**

Hi Family,

I do not have a lot to report this month. I attended a PI panel this past month at Plymouth Housing in Seattle. I have to say that it was an awesome experience and definitely a learning experience. Also, I want to thank Heidi and her committee for putting on Unity Day. The event was awesome and was well attended once again. So, thank you Heidi and everyone who helped her!!! Thank you for letting me be of service,  
Jake H

##### **Treasurer: See Treasurer Report Appendix B**

1. I have brought 24 physical copies of this SASC Treasurer Report and April financial statement for distribution. I will review the financial statement after I finish reading this report. As always, these reports will be posted to the SeattleNA.org website by our beloved web coordinator.

2. With regard to our initiative to have our Seattle International Narcotics Anonymous Convention (SINAC) routinely report their finances to this SASC, you will recall that we failed to come to an agreement. There has been no activity on this matter from me this month.

3. With regard to our initiative to have this SASC become capable to accept Payment Card (PC) payments, I am pleased to report that we were able to accept Payment Card payments for the first time at Seattle Area Unity Day on April 16, 2016. Unfortunately I was not able to attend the event due to an out-of-State family obligation. Fortunately the Assistant Treasurer and I met with the Unity Day committee a couple of weeks prior to the event for a training session. They successfully processed over \$2,000 in payment card transactions. I understand there were some glitches due to internet connectivity. I look forward to working with the committee to improve our procedures and make this a routine part of our financial operations. We also have a few remaining issues to resolve regarding exactly how to handle the accounting.

4. I will now review the financial statement.

I thank you for allowing me to be of service. I will now take your questions.

**RCM 2:**

I attended the WNIRSC Apr 8 th and 9 th . No motions are coming back to the Areas from this session.

The

main order of business was the 2016 World Service Conference motions. 21 groups from the Seattle Area participated in the CAR motions this year. We voted Yes (19-0- 2) on World Board motions 1 (Traditions Workbook) and 2 (18-2- 1) (15 on World Board, remove staggered terms if more than 8 elected, and 2 term limit for lifetime). We also voted Yes on Regional Motions 3 (mental illness pamphlet) (18-2- 1), motion 6 (11-8- 2) (World Board meetings open to public) and motion 11 (12-6- 3) (allow seating of Zonal Forum delegate as non-participating voting member). All the other

Regional motions were voted down by us. The 19 participating Areas of the Washington/Northern Idaho Region also decisively voted Yes on World board Motions 1 and 2 by votes of 17-1- 1 for both, agreeing with our Area. Region also voted Yes on Motion 3 (mental illness) by vote of 16-3- 0 (with us), but voted No on Regional Motions 4 through 14, not upholding our Yes votes on 6 and 11. Motion 6 was 9-9- 1 (close) and Motion 11, 4-9- 6 (not so close). All other motions also voted down in agreement with us. In summary, our RD team voted Yes on Motions 1, 2 and 3, and voted No on Motions 4 through 14. Reviewing our process, I felt that most of our GSRs did not get the benefit of any in depth discussion of the motions at the Area level, except those few who attended the CAR Workshop held in January. I believe Steve and I should have pushed for time at the March ASC to have at least a 1 hour presentation of some of the pros and cons for the motions. Many Regional motions on their face sound great, but when

we are informed about some of the unintended consequences, we might feel differently. Steve and I might have erred on the side of keeping all our opinions out of the process at the expense of not making sure you GSRs were adequately informed. But I must admit that between our groups and the Region, somehow the process worked just fine. Voting summary for Seattle Area and Washington/No. Idaho Region based on Yes is >50% of voting members:

**Unity Day 2016 Chair:**

Hello everyone,

We had an amazing event. I want to thank all the commintee members for all their hard work. It was benifial to have the card reader and it brought in excess funds of \$2,355 dollars which is not including the 3% charge from the bank. We had some serious challenges with the card reader it kept dropping the internet connection several times which caused us to not successfully take payments. Everytime it lost connection we had to unplug it and start from the beginning. Miranda was a huge help with this process she must of called customer service about 10 times to try and troubleshoot the issue, which was not

successful. Everyone was very patient with us and came back to make their payments when it was up and running again. We have a financial report that I will submit with my report to area's secretary so you will be able view it in the minutes. Here is a summarized versus of Mario's report, we brought in excess funds of \$12,501.71 after we pay the remaining invoices we will have a total of \$10,117.95. We are still waiting on a check from the Lynnwood Convention Center this refund is a total of \$1,182.60 which our treasure did include in the total of excess funds. Mario's report is very detailed which again will be in the mins. I have been on the Unity Day committee for 3 years and now that my position as chair is up I will be stepping down. I hope that the body will vote Miranda in as next year's chair. She has done a wonderful job this year as vice chair and I know that she will do an amazing job next year if voted in. I want to thank everyone for allowing me to be of service.

Heidi

### **Unity Day 2016 Treasurers Report:**

Apologies for delay-the overwhelming task of counting, compartmentalizing and figuring out how to make a report led me to procrastinate and with Area today.....Here we go.

The challenge in our report is not having exact breakdown from registration to merchandise. Our expenses (this does not include both deposits for Convention center)-was **\$7,863.93** (this does not include payment for 3rd batch of hoodies and remainder balance of bracelets).

Below is what we took in cash and checks.

Actual registration funds ( this includes Dance Dinner full packages ) was **\$3,695.**

Actual Merch sales ( hoody and bracelets included) **\$3,377.**

Auction Sales **\$50** ( remainder will be in check card total which will include remainder **\$220**)

Raffle sales **\$196**

total cash/checks deposited was **\$8,321**

check-card total was **\$2,355** minus banks 3% charge =**\$88.65**( not sure as we haven't been charged yet?) guesstimate at **\$2,266**

grand total of **\$10,587.35**

including LCC refund of **\$1,182.60**

Merchant % of profit of **\$514.60**

Miscellaneous cash ( \$50 auction check and return cash from Heidi - including \$60 we found from last event hospitality take) **\$225.16**

Grand total of take in funds-\$12,509.71

minus expenses( **\$7,863.93**)= excess funds of **\$4645.78**

But we have remainder payments to Geiger for hoodies/remainder bracelet payment

(**\$2,352** and **\$59.76**)of **\$2,411.76**=actual excess funds of **\$2,411.76** actual excess profit

With all Bills paid and all money deposited we are looking at \$10,117.95 excess funds.....

Our current balance for Area is roughly **\$1,417.6** prior to all above deposits .

The break down for day of is as follows:

Registration at door-145 basic, 10 dinner, 4 dance, 13 full registrations

We raised money fro 5 new comer basic registrations, plus we let 23 new comers for free.

According to Dustin's mad sales documentation we sold 19 hoodies with credit card check and 75 cash.

50/50 raffle total sales \$392-congrats Jamie.

We made **\$387** at door for dance.

pre registration sales were **\$1110**( this is not included in final \$\$\$)

### **Fellowship Development Committee:**

Good afternoon family,

I would like to thank unity day for letting us set up a table there. And thank everybody for helping out and for participating. I was able to talk to three newcomers and handout newcomer pamphlets that our committee has put together for them. We played a game to see how many people knew where some of the struggling meetings were at with in the Seattle area. Would like to set up a table at the next event.

We have some good ideas to put on a newcomer workshop over in the East Side on the second weekend of June. I will be talking with some people over there to come up with a time and place for this. Flyers will be out next month.

We orientated seven GSR's today.

Thomas from NA Regulars alt. GSR

Aries from Oasis

Meehan from NWA

Kevin from never to late

Renee from Pocan

Katie from recover to go

Michael from recover to go

Remember new GSR orientation is 1:30 here at Lake City community center for Sunday of the month right before area.

Our next meeting is June 5 here at Lake City community center at 12:30.

Thank you for letting me be of service

With love and hugs your Fellowship Development chair Valentina.

### Open Sharing Topics:

Robin, lots of passion and energy in the Activities Committee, but no one with any experience to teach people that want to help. Ed is stepping down from Activities and we desperately need someone to take the position that can lead the committee. There are some pending guidelines but no one to lead the group into having the guidelines passed.
