8. Old Business – (PLACE UNRESOLVED TOPICS FROM LAST MONTH HERE)
 - none this time

9. New Business –

- Open Discussion - Someone will check with the SASC Literature Chair to see whether we need more printed schedules.

We are suspending The Next Step program for now (see Motions, below). Conor said that if we do it again, we should assess how effective it is, to find out whether people actually followed through and got connected with an NA member. (Maybe it doesn't add much to the helpline?)

- Motions – We decided to move the May PR meeting to May 19 due to Memorial Day weekend. We will leave the 12/29/2024 meeting at its current date. Greg (web1) has put a note on seattlena.org about this.

Conor's term as Helpline Coordinator is up and he isn't running again. We didn't have any candidates at the meeting so this is now vacant. For now, Conor and Alan will continue to return voicemails left on the Seattle Area helpline. Conor was also responding to The Next Step requests. Since there isn't anyone to handle these now, we voted to suspend The Next Step program for now. Greg removed the paragraph about it from seattlena.org, but saved the text so that we can put it back later if we start it up again.
