- PR Chair- hey everyone! ASC was good as usual. We have a PR survey on NAWS to fill out as well as other surveys. they would like individual members to fill it out, not just our committee. Please check [na.org/survey](http://na.org/survey) to find them and have your voice heard! Unity day is having a fundraiser on October 5th and the event flier is on the website. The body has asked that we add an item for purchase on the lit order form online - the new NA survival guide.

- H&I Coordinator- 17 people showed up for H&I today! Getting more and more people oriented. Still open to do home group orientations. New panel going into Pioneer health services treatment center in downtown seattle. Mary and a couple others are getting oriented to do PI presentations for possibly going into new treatment centers and schools as this is a service we haven't been able to provide since covid. More progress has been made on getting panels back into King County Jail and the earliest possible time is March 2025. more info as we progress further.

6. Old Business:

Alan reported on the email update via email as he was unable to attend: "Report: the transition to the new email system seems to be working fine -- at least we haven't gotten any complaints from anyone that their [seattlena.org](http://seattlena.org) emails are going astray. Violet (Area Chair) sent a test email to [admin@seattlena.org](mailto:admin@seattlena.org) to check whether everyone on the admin list is getting email, and hopefully she will report back on this after the October SASC meeting."

7. Call to close (2:55pm)
