SASC Service Member Reports:

Chair

Hi family,

This month I coordinated with other admin members, continued to announce area service opportunities, and checked the mailbox.

We set the budget for Q1 of next year in our admin meeting. We've also set an appointment to adjust the signers on the bank account.

I was able to finish the spreadsheet of contact information for all admin members. This has been sent to the admin team and I will keep it up to date monthly and on the Google drive.

In Loving Service,
Conor S
SASC Chair

Vice-Chair

Recording Secretary

Hello, happy October everyone!

The minutes will now be posted to Web a week after Area, so Web has time to upload them to the website. If you have admin or group reports, please submit them before that time in order to make it on the minutes.

Thank you for my recovery,
Rose B

Assistant Recording Secretary

I have nothing to report this month. Thank you for allowing me to be of service.

SASC Treasurer Report

To: Seattle Area Service Committee of Narcotics Anonymous From: Cheryl T

Date: October 5, 2025 (August Reporting)

- The ledger balance and bank balances did not match for September. We are still .50 off as I have reported before. This amount will have to be reconciled after the Treasurer Audit of the out-going Treasurer year.
- We have project specific funds available if planning is underway. These excess funds will be sent to Region after Area today if not used.
- Copies of the Year-to-Date Group Contribution Report and the final September Financial Report are available to review and are included with this report.
- Region has cashed all outstanding checks.
- I am still waiting to be added to the Seattle Area Bank account in order to secure a bank card, expand Area's electronic contribution receipts, and set up a business management account for Unity Day.

In loving service, thank you.

Assistant Treasurer

Good morning

Please see report below

1. Within the next 30 days, I will be scheduling a treasurer transfer audit with the admin body.
2. Please pick up your homegroup's contributions recipes after each area, much appreciated.

Thank you!

Clentonia Vann

Whether you believe you can or you can't, you're probably right!

RCM 1

Hello everyone,

I appreciate everyone's support and voting me into the RCM 1 position last month.

Region is next week and I'm very excited to be attending. Since our SASC last month the WSL took place and there was a lot that was discussed so I'm very much looking forward to learning

about all that was discussed and bringing it back to you next month. with our RSC taking place next Friday there's not much more to report at the moment.

But I would like to remind you of all of your opportunities to take part in all of our IDTs. The Issue Discussion Topics for the 2023-2026 Conference Cycle are: Gender-Neutral and Inclusive Language in NA Literature, Dealing with Disruptive and Predatory Behavior, Reimagining and Revitalizing Service Committees, and DRT/MAT as It Relates to NA. All of these IDTs are connected to surveys. The survey links are at the bottom of the materials list. Please use the online survey as it helps us to collect your input. All the information can be found at the NAWS-news page or through the following link <https://na.org/idt/current-issue-discussion-topics/>.

There is also an H&I basics project/Survey that is active thru the 17th of this month which can also be found through the NAWS page or through the following link <https://na.org/naws-projects-and-surveys/revising-hi-basics/>

Any and all current projects and surveys can be found at <https://na.org/naws-projects-and-surveys/>

Again thank you for allowing me to be of service and i look forward to the next year as RCM 1

Andres.

PS. because of the requirement to book the hotel room 2 weeks in advance I reserved a room with 2 beds so if RCM 2 is voted in this month then they will be able to attend without paying full price which was a problem last year.

PR Chair

We approved H&I's new guidelines. H&I updated their guidelines to the new format suggested by region.

H&I STILL NEEDS PEOPLE ON THE SOUTH END!!

We agreed to bring a motion for 600\$ for a special project. This would entail making small informational packages to give to frontline workers - emergency rooms, shelters, peer seattle, police etc.

We need a new schedules coordinator, our printer is staying in town for the foreseeable future so no need to find a new printer unless the area body or new coordinator would like to. Our current one is in Woodinville so the new coordinator may want to find a new printer who is closer.

We need a new chair/vice chair as my term is up in February and I will not be taking another term.

We also need a Web 2 to learn from Caitlin and be prepared to take over when her term is up.

Thanks,
Lennox

The deposit for the September SASC meeting was \$1065.85. We ordered \$966.70 in new materials to restock our supply.

Price Increases

Unfortunately NAWS has announced price increases coming in January 2026.

Some relevant quotes from their email:

“In 2023, despite rising costs, we chose not to raise prices on IPs, booklets, keytags, or chips in order to allow groups more time to recover from the global shutdown. At this point, tariffs and increased cost of goods have created a deficit we can no longer absorb.”

“NA World Services has not been an exception to the reality that many of you are experiencing: Costs are rising in nearly every area, decreasing our projected net operating income by more than **\$670,000 annually**. The amount of material we provide for free coupled with our reduction of net operating income due to rising costs—we have survived this long only because of the increase in contributions. Without those contributions, the need to make these tough choices would have occurred much earlier, when NA groups and local communities were even more vulnerable. Your efforts have made a difference. Still, we find ourselves in a dilemma today: Either increase the price of literature or cut services”

“Beginning 1 January 2026, most materials in our inventory will increase in price by 15%. Several items, including *The NA Survival Kit* and *In Times of Illness* will remain at their current price and a few items, such as *Guiding Principles*, will increase very slightly. Pricing on the complete poster set and Group Starter Kit is increasing more than 15% but is still less than the total value of the bundled contents. Additionally, some special editions and bundles will be offered at stable or reduced prices”

I am including a link of the updated 2026 pricing list in my report:

<https://na.org/wp-content/uploads/2025/09/2026-Price-List-2025-09-29.pdf>

For some examples of what to expect, the cost of a Basic Text is increasing by \$2.05, many IPs are going up by around 5 cents, Keytags are going up by 8 cents, and coins are going up by about 60 cents.

I will keep you updated on what these changes will look like for us specifically.

Maybe it would be helpful to include the NAWS message in its entirety at the end of my report:

“Greetings,

We have difficult news to share today: global conditions have made it impossible to postpone a price increase any longer. In 2023, despite rising costs, we chose not to raise prices on IPs, booklets, keytags, or chips in order to allow groups more time to recover from the global shutdown. At this point, tariffs and increased cost of goods have created a deficit we can no longer absorb.

We want to take a moment and share our gratitude for the support that we receive at NA World Services. Over the past several years, many of you have stepped up to show your support by means of direct contributions, whether from your own personal finances or by way of your homegroups and service bodies, to help fund our ongoing efforts to carry out the Vision for NA Service. Your contributions have allowed us to continue supporting local communities around the world in PR, Fellowship development, and more. From free and subsidized literature to translations, each day Our Vision becomes a reality in the lives of individual addicts and communities around the world.

In the last fiscal year, we provided over \$750,000 worth of free and subsidized literature to members and NA communities in need. We continue to post all IPs and booklets for free in over 60 languages at na.org/literature. We provide audio recordings of the Basic Text in twelve languages at na.org/audio, and we are working on posting audio versions of An Introductory Guide to NA. These resources are also made available on inmate tablets at no cost to over one million incarcerated addicts—and growing. The need for translations, audio materials, and resources for members with physical challenges continues to grow, requiring constant—and increasing—investments.

We are glad that these resources are available to addicts who need them. But we cannot deny the obvious impact that has on literature sales. Balancing accessibility and sustainability has led to many painful discussions about our relationship with our Seventh Tradition. Bluntly, the material we provide on the web and tablets represents over one million dollars less in annual revenue. Our reliance on the sale of literature to fund nearly all our service efforts has been a topic of conversation around the Fellowship since the approval of the Basic Text.

NA World Services has not been an exception to the reality that many of you are experiencing: Costs are rising in nearly every area, decreasing our projected net operating income by more than \$670,000 annually. The amount of material we provide for free coupled with our reduction of net operating income due to rising costs—we have survived this long only because of the increase in contributions. Without those contributions, the need to make these tough choices would have occurred much earlier, when NA groups and local communities were even more vulnerable. Your

efforts have made a difference. Still, we find ourselves in a dilemma today: Either increase the price of literature or cut services. While the last thing many members need is higher prices, our responsibility to ensure the sustainability and viability of NA World Services requires us to act. It is our hope that someday our efforts can be funded by direct contributions rather than our reliance on literature sales.

Beginning 1 January 2026, most materials in our inventory will increase in price by 15%. Several items, including The NA Survival Kit and In Times of Illness will remain at their current price and a few items, such as Guiding Principles, will increase very slightly. Pricing on the complete poster set and Group Starter Kit is increasing more than 15% but is still less than the total value of the bundled contents. Additionally, some special editions and bundles will be offered at stable or reduced prices. We have posted the [updated 2026 price list](#) in both currencies (USD and EUR).

This wasn't an easy decision, but a necessary one. Tariffs and production costs have risen dramatically, and we believe this adjustment is the most prudent way forward, especially as demand grows for the many resources we provide at no cost. Please know that we've done our best to keep this adjustment as modest as possible. Without adjusting prices, we would be forced to reduce the services we provide and limit the ways in which we make the message available to the addict who still suffers.

Our current staffing level is the same it was nearly 40 years ago, in 1987, and today we support a much larger Fellowship navigating the challenges of growth in an increasingly complex world. The Basic Text, at the time of approval in 1983, originally sold for \$8.00. With inflation, that is equivalent to just over \$26 today, and with this increase in price to \$15.65, the cost of the Basic Text will still be lower in adjusted dollars than it was at its printing. We have kept our price changes well below the inflation rate by doing our level best to manage what is in our control and keep the costs as low as possible.

One of our priorities is the uninterrupted supply of literature. At this time, shipping charges will remain unchanged. However, rising fuel costs and global complications may necessitate adjustments in the future. We will notify members promptly if this becomes necessary.

Unfortunately, the circumstances requiring this change are out of our control. Our goal is to balance fiscal responsibility with the needs of the Fellowship. As always, we are committed to stewardship of our resources, sustainably and responsibly, to meet the needs of our growing Fellowship in a changing world. We are grateful for the opportunity to serve.

Sincerely,
Your World Board"

SINAC Liaison

Good afternoon SASC members,
SINAC liaison here, I will not be attending the meeting today, I apologize for the short notice. I just came across tickets for the Mariners game today at the last minute, so I am emailing in my report. I have attached a copy of our Event accountability form for the Salmon dinner as well as my report.

Please let me know if you have any questions.

Thank you for allowing me to be of service.

Sinac Liaison report for October 2025

The Salmon dinner had a decent turn out, we appreciate everyone that came out to support us. I have attached the Event accountability form to this month's report.

As of our last Sinac meeting, we voted to remove the treasurer. This vote was unanimous. Our intern vice treasurer is stepping in and we are looking for an assistant Treasurer. We will provide a list of positions next month that we are seeking, including the position of assistant treasurer.

The sponsorship dinner will be at the end of January 2026. We will get a save the date flyer out as soon as we have the exact date.

Thank you for allowing me to be of service,
Jessy M. – Sinac Liason

Conventions and Events Representative

Hello Seattle Area!

There are many regional events coming up for folks to either attend or support! Here's the list of highlights:

- PNW Convention will be held at Holiday Inn Portland Columbia Riverfront in Vancouver, WA on Oct 31 - Nov 2. Details are available on the [regional convention website](#), and my written report will include a link.
- As many of you know, WNIRCNA 41 will be in Everett next year on May 15-17.
 - WNIRCNA is looking for an Arts and Graphics chair
- The Band of Brothers Convention will be on October 9-11, 2026 at the DoubleTree in SeaTac.

- Mobile convention 2027 will be in Lewiston, Idaho; the theme is Recovery on the Water, and more will be revealed as we get closer to the date.

If you're interested in being involved with any of these conventions, please reach out to me at cande@seattlena.org or get my phone number at Area; my written report will include a link to the email address.

The regional C&E committee itself also needs to fill the following positions:

- Vice Chair
- Insurance Coordinator
- Secretary trainee

If you know anyone interested in serving at the regional level, please come to the next C&E meeting! It will be at the Red Lion Hotel in Ellensburg on October 11 from 10 to 2.

Thanks for letting me serve,
Dylan S
