SASC Service Member Reports:

Chair

Hi all,

We got a lot done this month! Our bank signers are updated. We have our audit scheduled. I am continuing to look for better venues for area, with transit access and parking onsite.

Let me know if you have any questions or concerns.

In Loving Service,
Conor S
Chair
Seattle Area Service Committee NA

Vice-Chair

Recording Secretary

Happy November everyone!
Nothing to report. Happy to have the Everett Area assistant secretary here at our meeting, shadowing today.

Thanks for everyone's service this month,
Rose

Assistant Recording Secretary

I have nothing to report. Thanks for allowing me to be of service.
- Lucas B.

Treasurer

To:
Seattle Area Service Committee of Narcotics Anonymous
Date: November 2nd (October closing)

- We again have project specific funds available. There is \$2594.27 from the 4th QTR reset and these excess funds will be sent to Region after Area today if not used. They are separate from the \$3,743.83 being mailed today from the 3rd QRT reset
- I am submitting a motion proposing a change to the SASC guidelines to be taken back to the groups. I have moved that we change our quarterly reset as set in our guidelines, increasing it from \$2300.00 a quarter to \$3000.00. I have reviewed our SASC quarterly expenses, and this would more accurately cover our requirements to fund Area and PR going forward. We may not always have the excess funds we have today..
- Copies of the Year-to-Date Group Contribution Report and the final October Financial Report are available to review and will be included with this report in the minutes.
- I was added to the Seattle Area Bank account this month and am waiting to secure a bank card. This will expand Area's method for electronic contribution receipts. I still plan to set up a business management account for Unity Day.
- The ledger balance and bank balances did not match for October. We are still .50 off as I have reported before. This amount will have to be reconciled after the Treasurer Audit of the out-going Treasurer year.

In service, Cheryl T

RCM 1

Hello everybody,

I attended the October RSC last month and it was definitely as expected. So much was talked about in reference to the Western Learning days which took place in Reno, Nevada. We also held elections for chair, vice chair, Secretary and secretary trainee. Secretary Trainee was the only position not filled so if you know anyone who would be interested or if you have a sponsee that you can voluntell to step up please let me know and have them come to our next RSC in January. We also discussed our preparations for the CAR. The RD/AD team will be holding a couple of

CAR workshops in the coming months. The first being held virtually on November 22nd as kind of a quick pre-CAR workshop which I will be attending. but they will also be having in person/hybrid workshops that are more in depth and available for any and all to attend starting at the beginning of the year. They will be doing them in groups so I was able to coordinate with Everett ASC and Northwestern Wa ASC to hold it on January 3rd. The location is still uncertain but we are in communication trying to figure out the best place and time for all parties involved but if you are unable to attend in person it will be available virtually as well but if you can make it then i encourage you to. As soon as we have a place and time locked down then I will inform this service committee.

I also attended the Activities subcommittee meeting on the 11th, and it was really great to learn more about how the different areas and region as a whole are doing. One of the biggest thing that we discussed was the regional speaker list. I've brought this up last quarter but I will reiterate as there have been some amendments. The regional speaker list is a list of members who are willing and able to share a clear message of NA at upcoming events around the region. This list is done on a volunteer/recommendation basis as a list that activities subcommittees from around the region can look at in order to arrange speakers for their different local events. so anyone who agrees could potentially be asked to come share their ESH at an event anywhere within our region. It's a great way of getting different messages from outside of the area. I've been asked to bring potential speakers' names for each of the 3 cleantime categories: less than 5 years, more than 5 years and more than 20 years. There's no limit to how many members can volunteer. So if you or someone you know are interested and willing to be of service in this way please come talk to me directly.

I hope to come back next week with a lot of great new information after the preCAR but until then, thank you for letting me be of service.

Andres A,

The deposit for the October SASC meeting was \$1563.25. We ordered \$2139.77 in new materials to restock our supply and to provide 2 cases of Basic Texts to H&I.

Region

I attended the Regional Literature Subcommittee meeting this month. I learned more about how some other areas handle ordering and we discussed the upcoming price increases.

Price Increases

I will have an updated price list available at the next SASC meeting. These prices will go into effect in January 2026, so you'll notice them on the online orders you put in during December. Our prices include shipping costs, so they won't match the NAWS 2026 price list.

Literature Development

There's a revised draft of the Group Business Meetings IP available for review and input until January 8th. The draft includes 2 new sections, on consensus based decision making and delegation.
