SASC Service Member Reports

Chair

Hi family,

This month I completed updates to our area service books, to bring the guidelines up to our currently published standards. I also completed a literature order to replace our 5th table guide.

I also consulted with GSR's and other admin committee members on various concerns.

Yesterday we corrected a bank issue for the SINAAC Subcommittee and updated signers for the Area bank account.

In loving service,

Conor P

Assistant Treasurer

Dear Service body,

Thank you for the opportunity to serve. I am enjoying this position. GSR's please remember to add your Group name to anything you do for or at Area. That means Zelle contributions and literature purchases online paying through Zelle.

Seattle Area no longer has a ZOOM account. If the PR committee wants one and the Fellowship Development Committee wants to manage the different subcommittees and groups that might use it, the GSR voting is required.

The Treasurer still does not have a copy of the storage unit key to hold with our contract.

** read only if subject comes up** We have \$2000.00+ of outstanding checks that have not been cashed. Looking at the RSC website for the RSC Treasurer contact I found that there are no minutes from 2024 or first quarter 2025. I have sent emails to both the Regional Chair and the Regional Secretary. The last conversation I had with the Regional Treasurer, they were working on it. We received two receipts in the mail this month from January for the DEC and JAN contributions, but as of yesterday neither check has been submitted for deposit.

Kindest regards,
Cheryl T

Literature Chair

Good Afternoon,

Hope everyone had a great Valentine's Day.

Thank you to everyone that contributed to the balance remainder of the Literature Funds Mismanagement last AREA.

It opened my eyes to a new level of Unity. Much appreciated.

Our NCRSO Invoice for February is 1536.83 which is 23.86 over my quarterly budget.
In our defense our Literature DEPOSIT for Feb is 1687.75.
So it's definitely made up for there. (Great Job Seattle NA!! That is a huge deposit.)

We anticipate selling 1418.75 already as of 1:22PM today.
25 Homegroups and 3 Individual orders.

Please inform me on how to go about including the Survival Guides on the Online Literature Order.

Also the Medallions are not updated online, and also some of the IP's don't match the PDF.
CC'ing [@Seattle NA Web Coordinator](#) for visual.

Please reach out to me for further assistance on this matter.

WooCommerce Platform update. SKCNA Chris, who has been helping me with this process, reached out after handling life for a while.

Said he is willing to get a sample of what it would look like as long as we approve of all of the prices.

Going to be getting Vice Chair Deborah and him in an email thread, and she is going to help hold me accountable for seeing this process through.

Hope to submit a motion next area for approval of a new platform.

Kindly,
KK

Fellowship Development Chair

Hi yall!

And Happy Sunday!

Fellowship development is coming together, and Michelle has been an amazing asset to the team!

First let's talk housekeeping!!!

We met and went over the fellowship development guidelines. There are a few things we'd like to update, and I will bring for review next month.

Our team is looking for 4. open positions to be filled:

- #1. Database Coordinator (maintains a contact list of current groups business meetings dates and times, as well as facilities willing to hold meetings)
- #2. Group Liaison Coordinator (contacts and provides a bridge between SASC and meetings who have consistently missed 3 SASC meetings. in a row)
- #3. Workshop Coordinator (facilitate new comer workshops 1 - 2 times a year)
- #4. Secretary (takes accurate notes at the fellowship development meeting and emails to all current members)

We are also always looking for members who would like to be of service but aren't quite ready to take on a position ! If you go to meetings or enjoy checking out new meetings, come see me! I may have a job for you!

We have a new GSR orientation sheet typed courtesy of Michelle, we will be adding to it as we learn and move along. She also made a spreadsheet for service sign up that I will pass around, and we will pass around at meetings too.

Yay Michelle!!!! 😊🎉😊

The meetings online and printed schedules are now all up to date and accurate across the board! Special thanks to web and Michelle for working on that together!

Now onto the fun part!

Yeet we have been meeting with groups over the month to check in, and get group contact info. Through this process we found, some online meetings aren't sure if they are allowed to have a vote at Area. They would rather abstain, until they have a clear yes or no from us. They would also like that yes or no to be in Line with the traditions and concepts of NA.

Fear not! They are however still contributing to NA, just directly through World instead. So they are still a part of NA as a whole.

There will be a group discussion on this in the second half of Area, and whether online meetings should receive a vote at area, or participate in an online area instead.

There is also a meeting on the schedule "NA Steps" that supposedly meets virtually on Tuesdays at 12pm. There is no Passcode listed on the website tho so I was unable to attend.

Does anyone have the passcode for this meeting, or know someone who does?

Last but certainly not least,

We set a date and time for our official first fellowship development meeting. It will be the last Wednesday of this month, Wednesday March 26th at 7:00pm over zoom.

We plan to schedule all future meetings the last Wednesday of the month at 7pm as well.

Again! If you would like to be of service, and believe in a more connected Seattle fellowship, please sign our sheet! We will reach out to you and find you a home!

Love always!
Thank you for letting me be of service!
