There will be coffee and donuts with an open format with one person reading something out of the literature and then discussion, and of course may change in the future due to group consciousness of Homegroup members.

Intent:

We are requesting from Area a "starter kit" Also to have the GSR's orient a GSR Bryan M.

SASC Service Member Reports:

Chair

Hi family,

This month I continued to coordinate with the admin body, checked the area mailbox and chaired the admin meeting. I'm very grateful to all for their service and remain available for questions if you have any.

In Loving Service,
Conor P
SASC Chair

Vice-Chair

Recording Secretary

Hello everyone, happy September!

I am very grateful for the chair, previous recording secretary and assistant recording secretary for stepping in and being of service this SASC meeting. I had to tend to my recovery on the day of Area and Chris and Lucas did a phenomenal job! Thanks everyone for supporting them.

The August minutes were submitted 2 weeks after Area, but were not posted for some time afterwards. I'm not sure why, but I'll work with Web to make sure it doesn't happen again.

Thanks everyone for your service,
Rose B.

RCM 2

Hello everybody,

This month I have a few reminders for everyone that I've already brought up but will elaborate more on.

1. Western Service learning days is set to take place from September 18th thru the 21st. It is being held in the Sierra Sage area of narcotics anonymous in Reno, Nevada. There are a lot of interesting things being discussed and there will be a lot of information coming back to us through our Delegate team this October. But this does bring me to our own local regional learning days being held this year in Spanaway at the spanaway united methodist church @135 163rd st s in Spanaway for more information I've included a link <https://wnirna.org/events/regional-learning-days/>

2. A few of the upcoming NAWs projects:

- Future of the WSC
- Local Service Toolbox
- Revising H&I Basics
- Revising IP 21 The Loner – Staying Clean in Isolation
- Focus Group Volunteer Form for 2023-2026 conference cycle
- Current IDT's
- Gender-Neutral and Inclusive Language in NA Literature (plus FAQ!)
- Updated: Dealing with Disruptive and Predatory Behavior
- DRT/MAT as it Relates to NA: Helping Members Take Root
- Reimagining and Revitalizing NA Service Committees

If you have further questions you can either come up and ask me or you can visit our delegates facebook page • WNIR Face book <https://www.facebook.com/groups/askthedelegate>

3. Collaboration of zones

- The US Collaboration of Zones will provide a single point of contact for Narcotics Anonymous in the United States, thereby providing a standing national presence. A national presence enables numerous Public Relations opportunities:
- Working with national and federal agencies that are currently closed to NA in the US
- Providing a national website and other tools that can easily connect addicts and the public to local NA meetings, phone lines, and websites.
- Making available national PSA's that can help increase awareness of NA in the US
- Improving the quality and accuracy of meeting information across the US locally, and on na.org
- Through communication and coordination, this collaboration will provide NA communities with support in public relations, fellowship development, training and mentoring, technology, and other needs that may arise. It will be a vehicle to fill service gaps and needs. The US Collaboration of Zones will complement, not replace, the existing service structure.
- You can find more information at usa-na.org.

4. NA World convention

- A loss of \$1,000,000
- Forecasted for 24,000 attendees
- Actual attendees 18,000. 2,000 less than the WCNA in Orlando in 2018.
- We are looking forward to the 75-yr anniversary of NA 2028 for the probable next convention,
- suggestions for a convention every 5 years continuing forward. Will we need to discuss the size of the event? pre-sale only?

This proposed change is upsetting to many but it just doesn't seem financially responsible to continue with our current set up. If you have any questions you can communicate with me directly or contact the RD team through their Facebook page or email.

I expect there to be much discussed at the upcoming regional service committee meeting next month.

Thank you for letting me be of service

Submitted by: Dawn	The Journey Continues is an open in person meeting that needs support. We meet every Sunday at 3:00pm at 2400 4th Ave in the Belltown neighborhood of Seattle in the community room. The gate code to get into the building is 9992. Parking is free on the street. Until we get a service structure, this meeting will not happen on the days of the Seattle Area Service Committee Meetings. Sorry I could not be here today, I have tested positive for covid19. Yours In Service Dawn L.
