Chair

Hey all,

We have area this Sunday and our quarterly budget review meeting! Please show up an hour and an half early so that we can do our meeting. If for some reason you cannot make it, please send someone in your place to represent you.

If you have any questions, please feel free to reach out!

Thank you,

Jill M
Area Chair

Vice-Chair

Greetings friends,

Not a lot to report this month;

I signed our new Treasurer Robyn onto the bank account.

I participated in the audit of the past year's financial statements and was able to iron out a few small errors. Happy to report that the books are balanced, and all is well in that regard.

Looking forward to seeing everyone for the budget & admin meeting.

ILS,
Nick W, Vice-Chair

Recording Secretary

Hi everyone,

I have nothing to report this month directly relating to my position as the Recording Secretary. However, I want to thank the SASC admin committee and the GSRs for allowing me to serve as Assistant Recording Secretary and then Recording Secretary for the last year. I started as Assistant when I was 6 months clean, and today as my term expires as Recording Secretary, I

have 18 months clean. Two-thirds of my recovery has been supported by a foundation of service to this body, and I am so incredibly grateful for being given the opportunity to do so. I will dearly miss this service position, but I am so excited for Nic M. to step into my position and to see where my service journey will take me next.

- Lucas B., Recording Secretary

Assistant Recording Secretary

Hello everyone,

I have nothing to report this month. Thank you for allowing me to be of service.

-Nic M., Assistant Recording Secretary

Treasurer

Hello All,

I want to thank Cheryl and Tanya for their years of treasurer service. I attended the SASC audit on 7/01 and pickup up all of the treasurer supplies, materials from Cheryl. While I have been the SASC Treasurer in the past I would ask for your patience while I reacquaint myself with the “flow” of service as well as begin the mentoring process with Vanna.

I look forward to being of service and serving the SASC.

ILS,

Robyn A, SASC Treasurer

Assistant Treasurer

Hello ASC fam -

I'm super grateful to this body for allowing me to be of service to you in this position. I met with the previous treasury team last month to go over the details of what this position entails and am excited to be working with and learning from our new treasurer Robyn for the next year. I attended the SASC audit and that was a success - shout out to Cheryl and Tonya for all their hard work. I also attended Region over the weekend which, as always, was great and facilitated a lot of interesting and informative discussions.

In loving service,
Vanna M

RCM 1 & 2

Hey everybody,

So we just got back from region last night so I have not been able to write up a full report with links and all the things in great detail. I will give you a quick synopsis of what happened at region.

We had a great region this quarter full of lots of great, spirited discussion and debate. We talked about the necessity to change how we write out our checks for region contributions. And with that there will be a motion coming forth later for us to change the guidelines to reflect this.

We sat in on the activities subcommittee meeting and talked about bulletin #33 from NAWS which is about the importance of using liability insurance at any and all NA related events. Our region has insurance available to be used by any group within the WNIRNA and although we hope to never need it, it is always better to have and not need than need and not have. So I encourage all home groups and committees that when planning an event such as a bbq or speaker jam, to make sure to insure the event.

Another thing I want to remind people of is the regional activities speaker list, if you or anyone you know are willing to be of service and speak at events around the region then please email me at RCM1@seattlena.org.

And lastly I do want to remind everyone of our upcoming area inventory. It will be facilitated by Jillian W from SPSANA next month during our regular area business meeting. Please be here and bring any other GSRs that are not here today. It's very important for you as representatives of your group to participate in this.

Next month I will have a much more detailed report

Thank you so much for allowing me to be of service.

PR Chair

Hi all,

A lot to report this month:

General: We have elected Maia as PR Vice Chair and Kristin as Helpline coordinator. We currently only need PI and special projects. PI should be as large a committee as H&I since it deals with everything outside of treatment centers, but instead it is underserved

H&I:

- Meeting with NW Hospital to do the walkthrough before starting 4x panels a month to start (to extend to 8 panels a month - x per week on different floors) of the civil commitment wing.
- NW hospital requested basic texts and step working guides for clients. There are several people in recovery on staff and they do meetings / step working groups internally. We have bought 4x of each from assigned H&I literature funds that were unspent last Q for this.
- We are updating the volunteer speaker list, going through and confirming that people are still willing and able to do panels.

PI/ PR

- We need a PI chair if we want PI to be successful.
- First responder packets:
 - Having trouble getting traction mainly due to the perceived attitude of NA towards MAT. Patients have negatively reported interactions when going to NA. Because of this we are having trouble getting into ERs, hospitals, DSHS.
 - We have pivoted slightly and are working with Compass housing and the VA Hospital and are working with REACH. I would like contacts with CCHS. VA and Compass have taken packets for clients.
- We have reached out to Seattle Schools and individual schools and sent flyers on PI speaking opportunities.
- We are working with Eastlake Milum outpatient to start PI panels there
- We are working with UW school of nursing and school of medicine to take in speakers to talk to classes.
- I am meeting with the police next week and have reached out to seattle fire.

PR: We have been going page by page and updating the website as needed especially when things are still missing from the regional website reset. For example our SASC guidelines were still 2 versions behind and have been updated. Please let us know if you see anything.

Full report from PR meeting can be found here and is uploaded to the website:

The deposit for the June SASC meeting was \$1331.85. We also had a \$191.50 order for H&I. We ordered \$1062.50 in new materials to restock our supply.

Literature Development

The newly revised *H&I Basics* is available now, it has been in development for quite some time and can be viewed online at na.org/pr. IP #21, Staying Clean in Isolation,

has also been updated and is available now. We don't have any in stock yet but I will try to order some for next month.

Unity Day Chair

The Unity Day 2027 Committee is happy and proud to report that our first time hosting the Seattle Area Annual 4th of July Picnic was an amazing success!

We received many compliments from members about what a wonderful event it was.

The park was full of hugs and happiness. It was especially heartwarming to see so many families in attendance. Our Entertainment Chair did a fantastic job providing fun activities for the children, helping make the day enjoyable for everyone.

A heartfelt thank you goes out to all of the members who brought delicious food to share. Your generosity truly reflected the spirit of unity and fellowship. We are grateful to report that we had plenty of hamburgers for everyone and never ran out of food.

As this was our committee's first time hosting the 4th of July Picnic, we feel it went very well. We know there is always room to learn and grow, and we have been keeping detailed notes and organized records throughout the process so we can provide an even better event next year.

Finally, thank you to everyone who attended and to every volunteer who stepped up to help. Whether your service was large or small, every contribution made a difference, and this event would not have been possible without all of you. We are truly grateful for the opportunity to be of service and look forward to continuing to carry the spirit of unity into Unity Day 2027.

Additional Clarification:

I would also like to provide some context regarding the financial outcome of the 4th of July Picnic. As this was our committee's first time hosting the event, we reached out to Jim L. for guidance on how many hamburgers to purchase. Based on his many years of experience serving on the SINAC Committee, he recommended purchasing approximately twice the amount we had originally planned. Trusting his experience, we followed that recommendation. While we ultimately purchased more food than was needed, we recognize this as a valuable learning experience and have documented

what we learned so future committees can make even better-informed decisions.
Please find our Treasurer report attached as well.

In loving service,
Kristen Clarey

Conventions and Events Representative

Hey family, I attended the regional C&E meeting yesterday and I have a number of things to report from that meeting.

First, the bad news: since the Shilo Inn is no longer in business, Clean and Free needed to set up a contract with the Quinault Hotel and Casino. That contract holds the fellowship explicitly liable for any damage or bad behavior during the event. Although I don't personally know the history, it sounds like this has been a problem in the past. I'm sharing this just to underscore the importance of NA's relationships with the cities and businesses that host our conventions and to ask the old-timers and sponsors in the room to set a positive example for newcomers at these events.

Now for the good news: the books have been audited for both WNIRCNA and Clean & Free, and both conventions brought in a ton of money for the fellowship. While this is not news for Clean & Free which regularly brings in over \$40 or \$50k per year, WNIRCNA brought in a record \$45,000 this year. This is a huge difference between the typical \$5k to \$8k that the convention raises on a good year, and an even bigger difference against the losses that the convention had in 2023 and 2024. This difference is mostly thanks to massive fundraising efforts in surrounding areas, the fact that the event sold out, and Julia R's shrewd financial practices around the event. In addition, Shopify was successfully tested and we learned a lot about how to run the platform more successfully at registration and merchandising tables for future events.

Additionally, I have a housekeeping item: the region has a bin of excess merchandise that every area is free to use at events. If you have an event and you want excess merchandise, let me know and I will get you in touch with the correct people at the regional level.

Finally, here's the list of our upcoming events:

- Regional Service Learning Days is Sept 25-26 in the Tri-Cities area
- Band of Brothers Convention is in Seattle, Oct 8-11
- WNIRCNA will be at Yakima Convention Center next year on June 4-6 - Registration will still be closed for the next several months, but the room block is open!

Thanks for letting me serve,
Dylan

Fellowship Development Chair

Hello!! My committee report is as follows: I was able to visit 4 meetings this month and provide updated meeting schedules and discuss how to better assist their contact with area.

I oriented 1 new GSR today. If you are a new GSR please come see me!! I have an orientation package for you and lots of info!!

I also submitted for a reimbursement for the above packets in the amount of \$11.92.

I plan on visiting at least 4 groups for the month of July.

I requested a \$100 budget for the quarter for printings and outreach.

We are in desperate need for people who are interested in joining the subcommittee. Currently there are 5 open positions (out of 6). These include vice chair, events coordinator, caravan coordinator, membership coordinator and more!! Please tell all of your meetings about these openings and give them my email (fellowship@seattlearea.org) if they want to be involved in any way at all. Even if they just want to be on a list for the caravans that visit struggling meetings to help increase their membership.

I'm discouraged by the lack of support or interest in helping Seattle Area NA. Fellowship Development committee members and additional volunteer members help meetings that are struggling, don't contact area, or new meetings looking to start and get additional membership support.

Thank you!
Michelle C
